**MEMORANDUM FOR: Executive Director-Comptroller**

1. The compressed schedule for Project [REDACTED] is approved. Please find out from [REDACTED] when we might appropriately put this floor show on for his key people. This would be in compliance with Mr. McCone's letter to McNamara suggesting cross fertilization to avoid unnecessary duplication.

2. I think we should also try to get some of the key JCS people to hear this.

3. I would appreciate recommendations as to just how to proceed from here, to include possible use of the auditorium, size of audience, etc., etc.
